EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Larry Brown on 1/19/06.

The application has been amended as follows: **Claim 9 has been cancelled. Claim 7 has been revised as follows, (a) in line 4 "at least one attachment leg;" has been changed to -- at least two attachment legs; -- and, (b) the last line now reads -- communication device, wherein the two attachment legs are substantially parallel. --**

2. The following is an examiner's statement of reasons for allowance:
Regarding claim 7 the prior art of record does not teach or suggest alone or in combination, the combination of elements especially the two parallel flexible and bendable legs and the flap remains in the open position no matter what the position of the device. Examiner agrees with the applicant contention that the door in the

reference Gilpin would not remain in the open position in all positions of the portable electronic device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael C. Zarroli whose telephone number is 571-272-2101. The examiner can normally be reached on 7:30 to 3:30 M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, T.C. Patel can be reached on (571) 272-2800 ext 39. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
